The Outdoor Remote Heads Emergency Light provides reliable emergency illumination when connected to a compatible remote power source. Its dual adjustable LED heads deliver bright, focused lighting for exits, walkways, and other critical outdoor areas during power outages, supporting safe evacuation.

FEATURES & BENEFITS

- Dual adjustable LED heads, 180 lumens (6500K)
- Compatible with remote emergency power systems
- Durable, flame-retardant thermoplastic ABS housing
- Surface or back mount for easy installation
- Wet location listed for outdoor applications
- Innovative design with quick, easy installation
- UL 924 Certified for Emergency Lighting
